**Please read the following section carefully if you plan to use your health insurance.**

Please initial each item to indicate that you have read and understand it.

\_\_\_\_\_ I understand that it is my responsibility to contact my insurance company to find out:

- What my insurance mental health benefits are (it may vary from your physical health insurance coverage)
- What the co-pay and deductible amounts are
- If a referral is needed from your primary physician
- How many visits per year are allowed under your insurance plan
- If your therapist is required to fill out a treatment plan before you can use your benefits

\_\_\_\_\_ I understand that if my insurance company does not pay, I will be responsible for the balance owed to my therapist.

\_\_\_\_\_ I understand that when I elect to use my health insurance benefits to pay for psychotherapy services that my diagnosis, symptoms and substance abuse (if any) issues and history will become part of my permanent health insurance records. My insurance company has retained right to access and copy any and all of my records.

\_\_\_\_\_ I understand that my therapist may be required to fax treatment plans and diagnostic reports to your insurance carrier. In some instances, this information may be submitted to insurance databases and/or employers when they are the purchasers of your medical/mental health benefits.

\_\_\_\_\_ If I do not understand any of the above items I will ask for clarification.
